Dream villa with stunning sea views in Es Cubelles

This spectacular property is located on the top of the mountain in front of Es Cubelles and the island of "Es Vedra". Villa Es Vedra is stylish and modern interior and it's amazing sea views over the "Es Vedra".

The size of the property guarantees absolute peace and privacy (25.000 m²). It has a paved road, between pine trees and wonderful views until you reach the house.

It is located in a unique place surrounded by absolute tranquility in the middle of the nature and with unparalleled views. The town of Es Cubelles and the bay of Cala d'Hort is about 4 km away.

The house has several terraces, lounges and dining tables to enjoy the unforgettable sunsets.

The 12 x 6m pool is heated and from the Jacuzzi you can enjoy your sundowner looking at the sea.

It is a true jewel of property ready to live. One of the last opportunities to live a villa with dream views without obstacles and absolute tranquility.
