"We had an absolutely spectacular time at the Ibiza Villa, and that was thanks largely to the amazing quality of the villa – which was far better than the already phenomenal pictures on the internet, the wonderful service from your staff – which surpassed any reasonable expectations. This was the vacation of a lifetime and we are truly grateful to you and the team that made it possible" (S.Marks)

'Villa Roca is considered to be the most Luxurious and Exclusive Villa on the Island' Conde Nast Traveller

And Voted 'One of The Four Most Fabulous Villa's In The World' by Harper's BAZAAR

#### Villa Roca Services

We offer any or all of the services of a Luxury Hotel, within the exclusivity of a private Villa. As well as Complete Privacy. A dedicated Concierge service is available from the moment you make your booking. He can start making plans with you for your stay including pre-stocking of Villa Roca, booking of cars, yachts, transfers, VIP beach beds and nightclubs, and arrange all the Menus, food and drinks at the Villa, and the chef.....

*'The Chefs can prepare a selection of local organic ingredients and locally caught fish, .....and the butlers drift around in white uniforms serving cocktails, freshly pressed juices and canapé, and cater to your every wish, 24 hours a day'.VOGU*
